

Medical Plan 2012 Benefit Highlights

Monroe County continues to offer HealthyBlue, a Preferred Provider Organization (PPO) plan administered through Excellus BlueCross BlueShield, in two options, a co-pay version as well as an HSA Health Plan. Both plans allow you to choose between going In- or Out-Of-Network for your services. You may choose physicians and hospitals within the network and receive a higher level of benefits. If you choose to go to a doctor or hospital that is not in the network, you still have coverage, however, you will receive benefits at a reduced level.
